

## STORY CAPTURE FORM

---

Who is this story about?

What was their situation before connecting with NH? What challenges were they facing?

How, exactly, did you/your program help?

Who else at Neighborhood House helped? What was their perspective on the situation?

What happened as a result? What's the "after" counterpart to the "before" situation described above?

How is this typical, or atypical of the issues your other clients or constituents face?
