

2024 SW HOPE SPONSOR BENEFITS

SW Hope is an annual food and fund drive created in partnership with faith communities, businesses, and community groups. With a growing number of food-insecure households, your sponsorship helps ensure that no family goes hungry in our community. SW Hope supports Neighborhood House’s Free Food Market, the largest food bank on the west side.

Events include a 5K Walk/Run, Empty Bowls soup drive, community meals, and events at local faith communities and restaurants.

Sponsors are promoted widely across SW Portland at events, social media, posters placed throughout the community, and newsletters from both Neighborhood House and faith partners.
